When you need a PC that’s ready to evolve with your growing business, the ultra-small HP ProDesk 405 Desktop Mini answers the call with performance, security, and expandability in a compact, stylish design that fits the modern workspace and your budget.

HP recommends Windows 10 Pro.

- Windows 10 Pro
- AMD Athlon™ PRO and Ryzen™ PRO Processors

**Solid performance and configurability**

Power through your day with a solution you can flexibly configure with AMD Ryzen™ PRO Processors and options that include dual storage drives, M.2 PCIe NVMe SSDs, and up to 32 GB of DDR4 memory.

**Expansion that extends your investment**

Maximize PC life with available dual storage and a configurable I/O port that allows you to add VGA or serial legacy support or a third video port connector for three displays or a USB Type C™ 3.1 Gen 2 port.

**Place it where you need it**

Take your footprint down to near zero with a PC that attaches behind an HP display, or mount and secure it almost anywhere with HP accessories. Declutter your space with short cables and rear I/O ports that connect to a range of displays.

**HP-exclusive security and manageability**

Help prevent data breaches and downtime with HP BIOSphere Gen4 and protect against web-based attacks with HP Sure Click. Easily manage devices through Microsoft System Center Configuration Manager with the HP Manageability Integration Kit.

**Featuring**

- Be productive in any situation with Windows 10 Pro and powerful security, collaboration, and connectivity features from HP.
- Keep productivity high and downtime low with HP BIOSphereGen4 firmware-level automation. Your PCs have extra protection thanks to automatic updates and security checks.
- Help protect your PC from websites, attachments, malware, ransomware, and viruses with hardware-enforced security from HP Sure Click.
- The HP Manageability Integration Kit helps speed up image creation and management of hardware, BIOS, and security through Microsoft System Center Configuration Manager.
- HP Client Security Manager Gen4 features multi-factor authentication and HP Password Manager. These tools work to keep data out of reach and defend against theft, attacks, and unauthorized users.
- Enjoy always-on, included self-help support built right into your PC, for the life of your PC, with HP Support Assistant.
- Rest easy with a PC that goes the distance and is designed to pass HP’s Total Test Process.
- Deploy your HP ProDesk 405 Desktop Mini beyond the desk as a public use PC or a smart kiosk or to drive premium digital signage with its integrated VESA mount.

| **Warranty**                       | 3 year (3-3-3) limited warranty and service offering includes 3 years of parts, labor and on-site repair. Includes free 24/7 telephone support. Terms and conditions vary by country. Certain restrictions and exclusions apply. |
**HP ProDesk 405 G4 Desktop Mini PC**

**Accessories and services (not included)**

**HP B300 PC Mounting Bracket**
Customize an altogether better solution with the HP B300 PC Mounting Bracket, which lets you attach your HP Workstation, HP Desktop Mini, HP Chromebox or select HP Thin Client directly behind select 2017 and 2018 HP EliteDisplays and HP Z Displays.¹
*Product number: 2DW53AT*

**HP Desktop Mini Security/Dual VESA Sleeve v2**
Wrap your HP Desktop Mini PC in the HP Desktop Mini Security/Dual VESA Sleeve v2 to securely mount it—with or without an Expansion Module—behind your display, position the solution on a wall, and lock it down with the integrated security bracket and optional HP Ultra-Slim Cable Lock.
*Product number: 2JA32AT*

**HP 8GB DDR4-2666 SODIMM**
Boost the capabilities of your HP Business Desktop PC and improve system performance and application responsiveness with low-power, high-speed DDR4 memory from HP.
*Product number: 3TK88AT*

**HP EliteDisplay E243p 23.8-inch Sure View Monitor**
Help protect your onscreen data in an instant with the HP EliteDisplay E243p Sure View Monitor. It’s our first 23.8-inch diagonal display with an integrated privacy screen that’s designed to shield sensitive content from prying eyes.
*Product number: SFT13A8*

**HP Quick Release Bracket**
HP Quick Release is an easy to use, 100 mm VESA-compliant, LCD monitor mounting solution that allows you to quickly and securely attach a flat panel monitor to a variety of stands, brackets, arms or wall mounts. HP Quick Release can also be used for mounting any combination of devices that are compatible with the 100 mm VESA Flat Display Mounting Interface Standard. The failsafe “Sure-Lock” mechanism snaps the monitor (or mounted device) securely in place, and can be further secured with a theft-deterrent security screw.
*Product number: EM870AT*

**HP TLC 256 GB SATA SSD**
Expand the storage capabilities of your desktop with the HP TLC 256 GB SATA SSD, which includes TLC flash and the same reliability you already get from current from SSD drives.
*Product number: P1N68AT*

**HP 4 year Next Business Day Onsite Hardware Support for Desktops**
When hardware issues come up, the sooner you can get running again, the better. Have expertise at the ready with HP Hardware Next Business Day Onsite Service, and vastly improve your product uptime. With high-quality remote assistance or convenient onsite support available the next business day, help is there when you need it—so you can get back to work.
*Product number: U7897E (for 4 year platforms), U7899E (for 5 year platforms)*
DataSheet | HP ProDesk 405 G4 Desktop Mini PC

**Messaging Footnotes**

1. Not all features are available in all editions or versions of Windows. Systems may require upgraded and/or separately purchased hardware, drivers, software or BIOS update to take full advantage of Windows functionality. Windows 10 is automatically updated, which is always enabled. ISP fees may apply and additional requirements may apply over time for updates. See http://www.windows.com.

2. Multi-Core is designed to improve performance of certain hardware products. Not all customers or software applications will necessarily benefit from use of this technology. Performance and clock frequency will vary depending on application workload and your hardware and software configurations. AMD's numbering is not a measurement of clock speed.

3. Displays sold separately. Support for up to three video outputs via two standard video connectors and an optional third video port connector, which provides the following choices: DisplayPort™ 1.2, HDMI 2.0, VGA or USB Type-C™ with DisplayPort™ Output.

4. Compatible with HP ProDisplays, P-series, and EliteDisplays, sold separately. Requires HP 9300 or 9600 PC Mounting Bracket for Monitors, sold separately. See display QuickSpecs for bracket guidance.

5. Mounting hardware sold separately.

6. HP BIOSphere Gen4 requires Intel® or AMD 8th Gen processors. Features may vary depending on the platform and configurations.

7. HP Sure Click is available on most HP PCs and supports Microsoft® Internet Explorer and Chromium™. Supported attachments include Microsoft® Office (Word, Excel, PowerPoint) and Adobe® PDF files in read-only mode when Microsoft Office or Adobe Acrobat are installed.

9. HP Client Security Manager Gen4 requires Windows and 8th generation Intel® or AMD processors or later.

10. Requires Windows and Internet access.

11. HP Total Test Process testing is not a guarantee of future performance under these test conditions. Any accidental damage requires an optional HP Accidental Damage Protection Care Pack.

**Technical Specifications Footnotes**

1. Not all features are available in all editions or versions of Windows. Systems may require upgraded and/or separately purchased hardware, drivers, software or BIOS update to take full advantage of Windows functionality. Windows 10 is automatically updated, which is always enabled. ISP fees may apply and additional requirements may apply over time for updates. See http://www.windows.com.

2. Some devices for academic use will automatically be updated to Windows 10 Pro Education with the Windows 10 Anniversary Update. Features vary; see https://aka.ms/ProEducation for Windows 10 Pro Education feature information.

3. Multibank is designed to improve performance of certain hardware products. Not all customers or software applications will necessarily benefit from use of this technology. Performance and clock frequency will vary depending on application workload and your hardware and software configurations. AMD's numbering is not a measurement of clock speed.

4. Max Boost clock frequency performance varies depending on hardware, software and overall system configuration.

5. NOTE: Your product does not support Windows 8 or Windows 7. In accordance with Microsoft's support policy, HP does not support the Windows 8 or Windows 7 operating system on products configured with Intel® and AMD 7th generation and forward processors or provide any Windows 8 or Windows 7 drivers on http://support.hp.com.

6. Actual data rate is determined by both the system's configured processor and memory module installed.

7. For hard drives and solid state drives, GB = 1 billion bytes. Actual formatted capacity is less. Up to 36 GB (for Windows 10) of system disk is reserved for the system recovery software.

8. Sold separately or as an optional feature.

9. USB Antimicrobial Mouse: Not available in all regions.

10. HP USB Hardened Mouse: Not available in all regions.

11. Native Miracast Support: is a wireless technology your PC can use to project your screen to TVs, projectors, and streaming.

13. Absolute Persistence Module: Absolute agent is shipped turned off and will be activated when customers activate a purchased subscription. Subscriptions can be purchased for terms ranging multiple years. Service is limited, check with Absolute for availability outside the US. The Absolute Recovery Guarantee is a limited warranty. Certain conditions apply. For full details visit: http://www.absolute.com/company/legal/agreements/computrace-agreement. Data Delete is an optional service provided by Absolute Software. If utilized, the Recovery Guarantee is null and void. In order to use the Data Delete service, customers must first sign a Pre-Authorization Agreement and either obtain a PRI or purchase one or more RSA SecurID tokens from Absolute Software.

14. HP Support Assistant: requires Windows and Internet access.

16. HP Sure Click is available on most HP PCs and supports Microsoft® Internet Explorer and Chromium™. Supported attachments include Microsoft Office (Word, Excel, PowerPoint) and PDF files in read only mode, when Microsoft Office or Adobe Acrobat are installed.

17. Linux Management Suite: subscription required.

18. HP BIOSphere Gen4: Requires Intel® or AMD 8th Gen processors. Features may vary depending on the platform and configurations.

19. HP Client Security Suite Gen 4: Requires Windows and Intel® or AMD 8th generation processors.

20. HP Password Manager: requires Internet Explorer or Chrome or Firefox. Some websites and applications may not be supported. User may need to enable or allow the add-on/extension in the internet browser.

21. Trusted Platform Module Tpm 2.0 Embedded Security Chip shipped with Windows 10 (Common Criteria EAL4+ Certified/FIPS 140-2 Level 2 Certified): Firmware TPM is version 2.0. Hardware TPM is v1.2, which is a subset of the TPM 2.0 specification version v0.89 as implemented by Intel Platform Trust Technology (PTT).

22. EPEAT® registered where applicable. EPEAT registration varies by country. See www.epeat.net for registration status by country.

23. EPEAT® registered where applicable. EPEAT registration varies by country. See www.epeat.net for registration status by country. HP’s 3rd party option store for solar energy accessory at www.hp.com/go/options.

24. External power supplies, power cords, cables and peripherals are not Low Halogen. Service parts obtained after purchase may not be Low Halogen.

25. The 2.5" drive bay can be both HDD and SSD.

26. The 2.5" drive bay can be both HDD and SSD.
